You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:
Welcome to LIW

Select ‘ILAP’
You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS) you consent to the following conditions:
- The USG routinely intercepts and monitors communications on this IS for purposes including but not limited to penetration testing COMSEC monitoring network operations and defense personnel misconduct (PM) law enforcement (LE) and counterintelligence (CI) investigations.
- At any time the USG may inspect and seize data stored on this IS.
- Communications using or data stored on this IS are not private and are subject to routine monitoring interception and search and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g. authentication and access controls) to protect USG interests—not for your personal benefit or privacy.
- Notwithstanding the above using this IS does not constitute consent to PM LE or CI investigative searching or monitoring of the content of privileged communications work product related to personal representation or services by attorneys psychotherapists or clergy and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

Select ‘OK’
Click the ‘+’ sign in front of ‘Reference’
Double click 'MMDF'
Right click on any data cell
Select 'Save As'
Please do not save your data on the ILAP server. Change the directory to your local C$ on 'Client' (V:) drive.

Select 'OK'
Change to (V:) drive
Select 'Users'
Select your folder
Select the folder you want to save the file in.
Name the file and select ‘Save’
Go to the location you saved the file in and open it.
