

INFORMATION PAPER

27 July 2009

SUBJECT: Container Transport Thermal (Golden Hour Container)

1. Original Golden Hour Containers

Due to expiration of internal components, current on hand quantities are unserviceable. Expired units should be turned in to local Med Supply/DRMO activity.

2. The shelf life for the following components are:

Chamber, Thermal Isolation (TIC) – 24 months

Panel, Vacuum Insulated (VIP) – 24 months

3. Golden Container unit cost is \$1975.00. The container is a prime vendor supported item coded AAC L “Local Purchase”. Customers may purchase new Golden Hour Containers using the following NSNs:

NSN 6530-01-505-5301

NSN 6530-01-505-5306

4. The containers are found in the following UAs:

5. **Vendor.** Minnesota Thermal Science, LLC
